**Re:** Change in lesson rates

Dear Students & Parents:

As of June 01, 2008, the rate for private instruction will increase to \$19.00 per 30-minute session.

In order to maintain the quality private instruction you have grown accustomed to we feel that this change in lesson fees is necessary. However, you will find that this new rate is still very competitive. Many of the local music instruction studios charge rates that are equal to or higher than \$19.00 per 30-minute session and often do not offer music education programs equal in quality and diversity to ours.

In conjunction with this change, we'd like to offer all students and parents the opportunity to utilize our **auto-pay system for lesson tuition payment**. We are able to keep credit card information in a confidential and secure file for **automatic billing on a monthly basis**. We strongly recommend that all students take advantage of this. This service is free of charge and assures that all tuition payments are made in a timely and consistent fashion. To enroll in this program, please bring a major credit card (VISA, MASTERCARD, OR DISCOVER only, please) and a photo ID or other proof of address. One of our associates will be happy to register you for this program.

Hopefully this notice gives you enough time to adjust to our new lesson price structure. If you have any questions regarding this matter, please do not hesitate to speak with me directly or contact me at the above telephone number or email address. Thank you for your understanding.

Respectfully,

Brian Vaccaro
